

**Transform
healthcare**

with us.

Healthcare is changing and we have grown. **Karlsberger** and **IBI Group** have formed a joint venture to provide pediatric expertise, strengthened by global resources. Together, our **KNOWLEDGE+** network means that we are better equipped to provide better healthcare and more value to you.

Experience the change:

NACHRI 2011 Creating Connections Conference:
MARCH 13-16, BALTIMORE, MARYLAND

visit the exhibit:

We're excited to share how we've grown. Together we believe our experience can help you transform your healthcare facility and meet your unique needs.

attend the session:

Tuesday, March 15 | 7:45 a.m. – 9 a.m.

Bricks and Mortar to Kids and Cribs

Breakfast & Presentation Sponsored by Karlsberger

Niswonger Children's Hospital,
Johnson City, Tennessee

The speakers will discuss the benefits that are derived from a dedicated pediatric facility. These range from clinical outcomes to enhanced perception in the community. The discussion will also focus system strategic planning changes as a result of the new facility. You will also hear the lessons learned and the growing pains from moving from a pediatric unit to a dedicated facility.
